

Kindergarten/  
1<sup>st</sup> Grade  
Drama and  
Storytelling

The focus of the class this session will be the production of a fun and silly version “The Little Red Hen”, to be presented to families and friends on the final day. Class time will include storytelling and theater games each week. This is a fun, low- pressure class, and a great introduction to drama and performing for younger children.

Wednesdays-1:00-2:15
