

after school

Wild Science! After School at Hillcrest Elementary **Spring 2008: Survivor Frog!**

Have you ever wondered how to make fire without matches, purify water, and build your own shelter? Or what you would do if you were stranded on a desert island? If so, then join Survivor Frog! We will learn to recognize and prepare edible plants, track and stalk wild animals, and make rope and baskets out of plants that grow in your neighborhood park. Each class will start with a team challenge that will prepare you to work together in difficult conditions. Become a Survivor Frog with the knowledgeable naturalists and amazing reptile and amphibian animal ambassadors from Tree Frog Treks, who won't vote you off the island, but will instead help you gain survival skills, work as a team, and explore the nature all around us!

Spring 2008 Session, Wednesdays, March 12 – May 14

Time: 1:00pm-2:30pm for grades K-2

Enrollment: minimum 10, maximum 16

Cost: \$162/session (9 classes)

Tree Frog Treks at Hillcrest Elementary Registration **Spring 2008: Survivor Frog!**

To register for Tree Frog Treks Afterschool Program, go to <http://treefrogtreks.com/registration/hillcrest.php>.

You will immediately be notified if your child is enrolled or waitlisted. Upon registration, you will then have the option to pay via PayPal or pay later via check. Checks should be made payable to: **Tree Frog Treks** and sent to **ATTN: Diamond Huynh, 2112 Hayes Street, San Francisco, 94117 by Friday, March 9.**

If you are submitting this form by mail instead registering online, contact Diamond at 415.876.3764 prior to making your payment to ensure class space availability.

Registration is on a first-come, first-served basis; this class has been very popular, so please get your registration in early! You will be notified prior the start of class if the class is full.
